

Replacement Communal Entrance Door Keys

The communal entrance doors at The Heights have been upgraded to security keys which cannot be copied like normal keys.

To purchase an additional key, the landlord or agent will need to contact Associated Locks on 01992 763588. You will need to provide your account reference and name. Associated Locks will verify the information with Warwick Estates to ensure that the legal owner/agent has requested an additional key.

Payment will be made directly to Associated Locks who will issue a key in the post to you

When ordering a key for your specific block you will need to request the following code allocated to your block.
